

Kingman AZ Property Management

About-us

Properties at Valle Vista offers expert advice and highly trained real estate agents to help guide you through the housing market, and in making sound real estate choices. Our agents are experts in the local areas they represent, and can provide exclusive knowledge and insight on buying and selling real estate in Kingman, AZ.

Properties at Valle Vista prides itself on providing accurate and up-to-date information and exceptional real estate service at all times. Whether you're buying or selling, our agents work with you to understand your needs and will actively guide you through each process from beginning to end. Other real estate services will push the home or price they think is right. What sets us apart is that we listen to what you think is right.

When it comes to buying a home, our real estate agents have extensive knowledge of the area, so they are able to suggest homes based on your criteria, including neighborhoods and communities with amenities that you want. If you are selling, you can trust our agents to work with you from start to close; they will advertise, show the home, negotiate the purchase contract, oversee inspections, handle the paperwork, and supervise the closing. We make sure that you feel supported in these major investments.

Property Management

Property management is an important aspect of owning a property, especially if you are thinking of leasing or selling it. Properties at Valle Vista provide agents that are specially trained in property management and can help guide you in the intricacies of preparing your home for lease or sale.

The simple truth is that selling or leasing a home is complicated, and when you're trying to rent or sell by yourself it can cause more hassle and money loss! Our local agents work with you and take the hassle off your hands. We will market your home, prepare the home for viewing, thoroughly check potential buyers and tenants to find a reliable fit, and handle any problem that may arise while the new tenant is in residence.

One of the most important aspects of property management is accurately evaluating the value of your home. By accurately assessing your property value, you can be sure that you are receiving the best possible price in sales or in rent. When you choose to work with us, you can avoid the hassle and confusion of bartering; we will decide the "done-deal" prices with you and ensure you get the deal you deserve.

Golf Course Properties

Whether you're an avid golfer or a weekend putter, the golf course properties available through Properties at Valle Vista are sure to satiate your golfer's appetite. Our properties are situated in prime locations near Kingman, AZ's exclusive golf courses, but without risk of losing a window from an errant ball.

Properties at Valle Vista boasts the most extensive golf course properties for sale in Kingman. Our real estate agents are experts in the area and are skilled at targeting home searches so that you feel guided and supported while searching for your new home! No matter what your search criteria may be – one bedroom, two story, ranch style, we will have a property listing that will work for you!

Golf course properties are great choices if you are planning on renovating a home and selling it later. Arizona is an arid place, therefore any home with a glimpse of green is one located in a prime area! Not only that, our golf course real estate is often near outdoor trails, gardens, and local shopping centers. Even if you aren't planning on re-selling, a home near a golf course is centrally located for your maximum ease.
